

KAYTEKS
COMPANY PROFILE

Kayteks Örne Giyim San. ve Tic. Aş. which produce all kinds of knitted fabrics, woven and terry fabrics, textile products, garments and baby products, is one of the leading companies in Denizli.

Kayteks' experiences were founded in a small workshop in 1965 and now it has turned into a large facility with a total area of 30 thousand square meters, of which 10 thousand square meters is indoor and 10 thousand square meters is outdoor.

Daily capacity of Kayteks is 15 tonnes knitted fabric, 12000 pieces fitted sheet, 2000 pieces duvet cover and 2500 pieces pillow case.

Kayteks continues investments aiming to increase product range and capacity with brand-new established factory in Denizli organized industrial zone.

Kayteks is an innovative company that export %95 of its products to 20 countries, increases capacity day by day and continues its development with new markets.
